≡ ABOUT

PRIVATE NOTARY

At Al Dhaheri & Partners, we are dedicated to fulfilling the diverse needs of our clients - ranging from individuals and business owners to companies. Our commitment is mirrored in our relentless pursuit to cater to the dynamic and evolving landscape of the UAE's investment sector. We take pride in offering accessible private notary services across our branches, designed to facilitate your transactions with unmatched speed, precision, and excellence.

Sherina Al Dhaheri, distinguished in her roles as a lawyer, private notary, and the authorized authenticator of company Articles of Association and related documents, is licensed by the Abu Dhabi Judicial Department. Additionally, the Department of Economic Development recognizes her as the official authenticator for company Articles of Association, their annexes, and the documentation of general assemblies and board decisions.

In her capacity, Sherina offers unparalleled private notary services and authentication of company documents, including Articles of Association, annexes, and amendments. Her work is supported by a team of expert legal advisers and researchers, guaranteeing that every service provided is marked by promptness, precision, and the highest quality, available V/٢٤ for your convenience.

⊙ SERVICE OF LEGAL DRAFTING AND REVIEW OF TRANSACTIONS AND CONTRACTS.

▼ Legal drafting and review service for transactions and contracts.

Al Dhaheri & Partners aims to provide outstanding services quickly and according to the highest standards of quality and efficiency. To ensure this for our clients, we have included the legal drafting service of all kinds of powers of attorney, declarations, and contracts. This is in addition to the service of legal review and auditing of powers of attorney and contracts, providing sound legal advice to clients in all transactions of the private notary, and documenting the company's Articles of Association and annexes thereof, through a selection of experienced legal advisers with all legal aspects of legal transactions, contributing to the enhancement of the efficiency and quality of transactions.

▼ Service of the Transportation of Private Notary to Document Transactions in the Emirate of Abu Dhabi and Al Ain.

In consideration of our clients' valuable time and busy time, and taking into account their particular circumstances and to alleviate them, we at Al Dhaheri & Partners have decided to be with our clients wherever they are and at any time through the service of the transportation of the private notary and the Authenticator of Company's Articles of Association and Annexes thereof to provide distinguished services to individuals, companies, business owners, people with disabilities, older people and others, in the Emirate of Abu Dhabi and its suburbs, and Al Ain and its suburbs. Through this service, your private notary will reach you to authenticate your transactions wherever you are.

▼ Fees of Public Notary Services and Authentications.

Al Dhaheri & Partners are keen to provide the highest quality and efficient services in every aspect of our justice services and at competitive prices that meet the needs of our clients from all sectors of individuals, companies, and business owners. Therefore, our dedicated team tirelessly provides clients with friendly and effective solutions to process their transactions with speed, ease, and flexibility.

▼ Service Delivery Channels.

Through our firm commitment to quality, efficiency, speed, and creativity, we strive to develop our service delivery channels and use the latest technology to meet our client's needs through:

Visiting our offices (Abu Dabi- Al Nahyan, Al Ain - Al Muwaiji).

Using the visual means of communication (Webex program).

Transportation of the Notary to the client's office wherever (office\home).
